

# 点つなぎ迷路

答え

☆から★まで順番に点をつなぐとできる迷路で、障害物にジャマされたり、道が途切れずにゴールにたどりつけるルートはどれでしょう？ A～Dから選んでください。

The maze puzzle features a grid of points numbered 1 to 145. The starting point is 1 (a star) and the ending point is 145 (a star). The maze contains various obstacles: trees, rocks, clouds, flowers, and hills. Four paths are labeled A, B, C, and D, each starting from a girl character. Path A starts at point 43, B at 47, C at 83, and D at 98. The goal is to reach point 145.
